Kandy, from Lady Horton's Walk. This walk winds picturesquely round one of the hills which overhang the little lake upon which the town of Kandy is situated. The view is full of colour and vivacity, red and white roofs peeping out from green palms, and blue water laughing back to blue sky.

I am glad you have had such a nice time, I did not write to Harpenden, as I was not quite sure of the address. I am to go to Mrs. Io on Sunday. You will see, I have managed to get the Ceylon set I have been looking for. I think they are very pretty.

Love
